Convention used for individual e-mail addresses firstname.lastname@biharnet.ba

Remarks regarding this section Currently not functioning, no funding. BIHARNET was in function until the end of 2000 when international and inter-city connection, due to lack of financial resources, was disconnected.

In the period of time when BIHARNET was functioning, the history, technical details and all other information related to network were in website. Unfortunately, currently our website is not active.
