RESEARCH DIRECTORATE-
GENERAL

SERBIA

ITALIAN PRESIDENCY

Brussels, 26 August 2014.

It is our pleasure to invite you to the next meeting of the Steering Platform on Research for Western Balkan Countries which will be hosted by the Italian Presidency in Trieste on 24 September 2014.

In annex you will find the proposed agenda as well as a document with the practical information regarding registration and logistics.

Since the activities of the WBC-INCO.NET project came to an end in April 2014, it is no longer possible to organise a meeting of the Steering Platform back to back with the INCO.NET and combine travel arrangements. It is our pleasure, however, to inform you that the Regional Cooperation Council has offered to reimburse travel and accommodation cost for two delegates per Western Balkan Country. Furthermore, the Central European Initiative kindly provides the meeting space, working lunch and organises the social event, whereas the Zentrum für Soziale Innovation (ZSI) helps the logistics of the organisation.

For practical arrangements, please use the registration link provided and do not hesitate to contact: Ms Paola Plancher (plancher@cei.int) at CEI and/or office@wbc-inco.net at ZSI.

We are looking forward to your participation and presence in Trieste and wish you successful registration and preparation.
