National Institute of Research and Development for Chemistry and Petrochemistry - **ICECHIM**
organizes
The International Symposium
“PRIORITIES OF CHEMISTRY FOR A SUSTAINABLE DEVELOPMENT”
XIIIth Edition
ROMANIA – Bucharest
October 25 – 27, 2017

The Scientific Committee of PRIOCHEM International Symposium, cordially invites you to attend to the XIIIth edition, held at ICECHIM location, Splaiul Independentei, nr. 202, Bucharest, 6th district.

SECTIONS:

1. Multifunctional materials and nanocomposites	Indicative
2. Bio-resources and biotechnologies	1 - MMN
3. Environment engineering and cultural heritage protection	2 - BB
4. Biorafinery, Chemical and Petrochemical Engineering	3 - IMPPC
5. Students section	4 - BICP
	5 - SS

THE SCIENTIFIC PROGRAM includes: ■ Plenary conferences; ■ Oral communications; ■ Poster sessions with mini-presentations; ■ Round tables; ■ Workshops (satellites sections); ■ Exhibitions.

ORAL COMUNICATIONS

We recommend 10-12 minutes oral presentations including questions and discussions, their order being established according to the Programm.

POSTERS

The posters accepted by the Scientific Committee (scheduled) will be displayed at the ground floor building Hall. Some posters will be selected for 5 minutes mini-presentations, including comments and discussions. The authors will be informed in due time.

The dimensions of the poster panels will be 90 cm wide and 110 cm height. The posters will be fixed by double-adhesive tape available on the spot. The poster numbers available in the Program will correspond with the display panel numbers. The posters will be displayed throughout the symposium starting with October 25 at 12:00 pm untill 27 October at 14:00 pm.

THE PROGRAM and **SCHEDULE** will be available at www.icechim.ro and <http://priochem.icechim.ro/>, 5 days after registration deadline.

EXHIBITION

Companies will be invited to present promotional materials or to sustain their presentation after the scientific program.

The abstract must be written according to the Word template. The abstracts accepted by the Scientific Committee will be published in a Book of Abstracts, available to the participants at the symposium. The volume will have ISSN and will be cited as an official publication. All inconsistent Abstracts will be sent back to the authors.

- Original works, unpublished by the date of the symposium, will be presented.
- Organizers will award the best communications.
- Plenary lectures will be presented by chemistry personalities from Romania and abroad.
- The symposium will be promoted in press and radio.
- The official language of the symposium is **English**.
- All papers will be reviewed by the Scientific Committee, which reserves the right to accept or reject the work, to decide on the presentation form of the paper (oral or poster).
- The most valuable papers submitted *in extenso* will be selected and considered for publication in an ISI journal.

In order to participate, please fill out the Registration Form available on the website <http://priochem.icechim.ro/> and <http://www.icechim.ro/> on the Symposium Section.
