

BPW International

BPW International is one of the most influential international women's organizations in the world.

BPW International was founded in 1930, and is represented in nearly 100 countries, with over 20,000 members in Europe.

BPW offers personal development programs for members such as mentoring, leadership training and e-Business training.

BPW has consultative status with the United Nations Economic and Social Council (ECOSOC) and participatory status with the Council of Europe.

BPW Danube Net Vienna Businesswomen Forum 16 – 18 November 2012

with special focus on the EU-Danube Strategy

The Danube Strategy has been implemented by the European Union to provide a sustainable framework for policy integration and coherent development of the Danube Region – to make this a truly EU region for the 21st century, secure and confident, and one of the most attractive region in Europe.

Four Pillars address the major issues: Connecting the Danube Region; Protecting the Environment; Building Prosperity and Strengthening the Danube Region.
(*source: European Union Strategy for Danube Region, Brussels 8.12.2010)

- The EUSDR and the role of Institutions
- Connecting the Region
- Building Prosperity
- Life-long learning
- Business corners and best practices
- BPW Country Business presentations

In cooperation with
Southeast European Cooperative Initiative

BPW Danube Net

Empowerment of Businesswomen in the Danube region
Equality, innovation and sustainability through empowered women

The BPW Danube Net is a network for business women with the objective to bring together decision makers of this region to exchange know-how and best practices and to introduce to the participants the business and development opportunities of the EU Danube Strategy.
