

# CENTRAL EUROPEAN INITIATIVE

- New CEI Plan of Action 2018-2020: strong accent on R&I (*objective 2.2: “improving research and innovation systems”; objective 6.1: “promoting international scientific cooperation and initiatives in support to science diplomacy”*)
- Open call of the CEI Know-how Exchange Programme (KEP) until 16 July 2018 (WBCs as beneficiaries): <http://www.cei.int/content/cei-kep-calls-proposals-2018-open-deadline-16-july-2018>
- proESOF calls (related to the organization of the Euro Science Open Forum – ESOF 2020 in Trieste): involvement of stakeholders and researchers from Eastern and South-Eastern Europe strongly encouraged. Open calls for the organisation of events in 2018-2019 (proESOF programme): [www.proesof.eu](http://www.proesof.eu)
