

Instituti për Integritim Evropian
Institute for European Integration

IIE- Institute of European Integration has been operated since May 2009. **IIE** gathers distinguished young professionals mostly from academia with international background and experiences. The institute also complements capacities by a network of most experienced international experts and international research institutions. IIE intends to support Institutions and society in their activities towards fulfillment of the Copenhagen Criteria's through professional analysis, practical trainings policy research in order to stress and support the policy makers and other relevant stakeholders with regard to EU challenges and opportunities it offers. IIE aims to be involved professionally in process of EU integration by using the long experience and involvement of its staff on EU issues.
