www.euroconstruct.org

WIFO – the Austrian Institute of Economic Research will host the 64th EUROCONSTRUCT construction market forecast conference with a special topic on emerging markets.

Main Focus and Benefits

- **Construction Market Trends to 2010** in 19 European Countries: detailed construction market data, information and documentation, including housing, non-residential construction and civil engineering (EC-Summary Report with a value of ~1000 € will be included).
- **Investment & Business Opportunities in Construction and Real Estate** focuses mainly on emerging markets such as Russia, Turkey and the Balkan states.
- **Round Table discussion** with leading experts from the construction, real estate and finance sector on experiences and opportunities, risks and obstacles.
