

Workshop Announcement & Call for Proposals

Climate Change II in South-Eastern European Countries

- Causes
- Impacts
- Solutions

14th and 15th Nov. 2007

Belgrade, Serbia

The objectives of the workshop are:

- To strengthen and improve the multidisciplinary approach to climate change related issues
- To generate ideas for research projects
- To meet potential research partners (!)

Workshop II

Climate Change

■ Causes ■ Impacts ■ Solutions

The vulnerability of society and the economy to the impacts of climate change requires both appropriate emission reduction measures and adaptation policies. These are already of great importance, but will become more so in the future.

In particular, there is great potential and demand for research on these issues in South-Eastern European (SEE) countries. Especially against the background of the coming call of the 7th FP there is an essential need to discuss and potentially coordinate joint research interests.

Therefore the coming workshop will help to exchange the latest findings in climate change-related research, and also focus on exchanging project ideas to encourage the initiation of joint projects.

To reach these objectives, the workshop will include the following opportunities:

- Researchers can present innovative and new findings of their research by presentations
- Small groups of researchers can exchange and discuss project ideas and will possibly determine a working plan for joint project proposals, e.g. under the 7th FP

Workshop topics include:

- Economic impacts of climate change (+ Adaptation policy)
- Monitoring and forecasting the environmental impacts of climate change, e.g. drought, natural hazards, on biodiversity (+ Adaptation policy)
- CDM/Kyoto/renewable energy – especially biomass
- Synergies between adaptation and mitigation, e.g. meeting the future heating and cooling energy demand; forest management

For participation, researchers are encouraged to prepare either or both ...

- Abstracts for presentations for this year's workshop's topics
- Proposals/outlines of ideas for joint projects (for the purpose of coordination)

... by 12th October 2007 to climate@joanneum.at (Daniel Steiner). Abstracts for presentations and proposals/outlines of ideas will be selected and coordinated in order to ensure appropriate coverage of topics and ideas at the workshop.

Important: Abstracts and/or proposals/outlines must be thematically attributed in the subsequent reply form.

Organisational matters:

- In order to enable participants to also attend the conference in Brdo/Slovenia "Climate Change – An opportunity for growth" on 16 November 2007, transfer assistance will be provided at participants expenses.
- For hotel reservations please use the hotel reservation form attached below. For this and for all other organisational inquiries/requirements please contact Jelena Stanković at workshop.belgrade@gmail.com.

Please find all other information about the workshop at www.joanneum.at/climate.

I would like to present a paper on one of the following topics:

- Economic impacts of climate change
- Monitoring and forecasting the environmental impacts of climate change
- CDM/Kyoto/renewable energy – especially biomass
- Synergies between adaptation and mitigation

I would like to discuss project ideas and give a short overview on one of the following topics:

- Economic impacts of climate change
- Monitoring and forecasting the environmental impacts of climate change
- CDM/Kyoto/renewable energy – especially biomass
- Synergies between adaptation and mitigation

Interested in participating, please send the program when available

Interested in transfer to conference in Brdo/Slovenia. Please provide me more information

Please reserve: single room(s) double room(s)

Hotel category: SINGLE ROOM DOUBLE ROOM:

*** Hotel Park 66,- 52,-

Listed prices are given in EURO (€), per person/night, and include all taxes & breakfast.

In case there are no rooms available in the required category, please book a room in a:

higher category lower category

Date of arrival: Time: Date of departure:

Arrival by: private car train airplane

Cancellation terms: Cancellation should be made written only to "workshop.belgrade@gmail.com"

- without penalty > up to 20 days prior to arrival
- 75 % of all reserved room nights > 7 days or less prior to arrival
- 100 % > no show, no written cancellation

Your signature will confirm the agreement of the above mentioned cancellation terms.

To guarantee your reservation please kindly provide the following information:

Master Card VISA Diners Club American Express
